Five (5) years from last certification

- National Camp School
- Lead Climbing Instructor

There are several Outdoor Leader Training courses that are required for a unit (Pack/Troop/Crew/Team) to complete to safely camp with youth. Offering these training courses requires a lot of man power and time the Last Frontier Council offers these training courses several times a year.

- Introduction to Outdoor Skills (IOLS),
- Outdoor Webelos Leader Skills (OWL) and
- BALOO training.
- While these certifications may not expire, it is a good idea to take these again if it has been several years. The syllabus changes, as well as, the sharing of ideas between leaders will allow you to enhance the program for the youth. It is also a fun time to camp with adults and meet other leaders in the District/Council.
